

Make sure your pets are on medicine to prevent heartworms. It's really bad for them if they get it! Ask your parents what kind of medicine your pet is on and write the name of it here: _____.

You can submit your picture to info@roostertotherescue.org and we will pick a winner. Don't forget to add your name, age and location.

Have a heart? Save a heart! Rooster to the Rescue

A happy pet is a healthy pet. This puzzle has words about keeping your pet healthy and heartworm free. How many words can you find? Good luck!
